**Master of Hospital Administration
(Online & Distance Learning Mode)**

❖ **DMIMS (DU) University:**

Datta Meghe Institute of Medical Sciences (Deemed to be University), was granted deemed status by the University Grants Commission in 2005. It has been reaccredited with A+ grade by the National Assessment and Accreditation Council (NAAC) in 2017. The university is located in a 125 acre campus in Sawangi (Meghe), Wardha about 80 Kms from Nagpur, Maharashtra, which is the geographic centre of India.

❖ **School of Allied Health Professionals & Online Distance Learning :**

School of Allied Health Professionals & Online Distance Learning of DMIMS(DU) monitors and supervises various allied health courses and distance learning. In view of gaping shortage of doctors, the allied healthcare professionals and other health workforce (*trained through either fulltime or distance learning mode*), would have to play an increasingly prominent role in providing health services to Indian population.

DMIMS university, through School of allied health professionals and distance learning, extends its sectors by starting allied health courses **including online & distance learning (Master of Hospital administration)** so that the health services can reach to rural as well as remote community.

❖ **About MHA Course (Online & Distance learning) :**

DMIMS(DU) started the **Master of Hospital Administration(MHA)** Program in year 2011, under Regular mode. To further this initiative and enhance the scope, the university has started the MHA course **under online & distance learning mode.**

Goal: Prepare leaders that truly contribute to serve healthcare industry with their expertise & command on knowledge and practical aspects in hospital Administration & Management.

MHA course :

- Two-year masters degree course (Online & Distance learning mode)
- Intake capacity : 40 candidates/year, from multi-disciplinary profession backgrounds.
- Nature : semester based.
- Instructional methods : mainly learner centered to get first-hand experience of hospital administration and management.
- Assessment : Cumulative grade point assessment.
- For admission : Application forms and other details can be availed from www.dmimsu.edu.in.

❖ **Eligibility criteria:**

- Students with Bachelor's degree with 50% Marks (45% For reserved category)
- The qualification must be recognized by Indian University or an equivalent qualification from foreign university recognized by University Grant Commission.

❖ **Career Opportunities:**

Hospital Administration offers an abundance of job opportunities to suit a variety of interests and skills. Whether you are more interested in implementing hospital programs/schemes, managing health care, working with hospital staff and stakeholders, conducting research, or contributing to policy developments, there is a place for you in the field of hospital administration.

- Government and private hospitals
- Health agencies, laboratories and clinics
- National and international healthcare organizations
- Health insurance companies
- Medical college and institutions
- Healthcare centers and nursing homes
- Public health departments & rehabilitation centers
- Pharmaceuticals and hospital supply firm
