ANNEXURE-I

Rules and Regulations for Conducting All India Ph.D. Common Entrance Test (AIPHCET) of the University

In terms of the mandatory requirement of Entrance Test to be conducted to ascertain eligibility of the candidates for registration for the Ph.D. programme as prescribed in the UGC guidelines notified in May, 2016, the All India Ph.D. Common Entrance Test (AIPHCET) shall be conducted by Datta Meghe Institute of Medical Sciences (Deemed University).

The successful applicants in the said examination shall be eligible for registration for the Doctoral program subject to clearance of their research topic by the Institutional Ethics Committee, the Doctoral Research Committee and the Academic Council of the University. Thus, the nature of this test is different from the All India UG & PG entrance examinations wherein an inter-se merit list is prepared after the declaration of the results and then the admissions are materialized. The AIPHCET would also ascertain the eligibility of the candidates and the registrations to the Ph.D. course subject to the approval of their research topics by the Doctoral Research Committee and by the Academic Council of the University.

As such, the Rules for conducting AIPHCET shall be as under:

1. Short title, applicability and commencement:
 - (a) These rules may be called "Rules" for conducting All India Ph.D. Common Entrance Test (AIPHCET) for admission to Programme of Doctor of Philosophy".
 - (b) These rules and regulations shall be applicable to the candidate appearing for AIPHCET for admission to the programme of Doctor of Philosophy.
