

## **CENTRES OF EXCELLENCE**

### **PREAMBLE**

The various centres at DMIMS (DU) with their exemplary performance in working and with distinct outstanding activities are identified. A task force was constituted to undertake on the site observations of these centres for creating and converting them into Centres of Excellence for promotion of short term as well as long term in depth activities. The creation of centres of Excellence is beneficial for the process of reaccreditation by NAAC in 2017. Considering these facts, the Academic Council of DMIMS (DU) and Board of Management have decided to create 10 centres of excellence at DMIMS (DU). All these centres shall have independent Honorary Directors and will under the guidance of Dr. S.R.Tankhiwale as Co-ordinator of the centre.

The various Centres of Excellence and their honorary Directors are as under :
