

Datta Meghe Institute of Medical Sciences

Extramural Grants for ICMR Students PG Students - 2018

Sr No	Institute Name	PG Student Name	Guide Name	Department	Thesis Title	Funding Agency	Amount
1	JNMC	Dr. Sukanya Pawar	Dr. Pratibha Dawande	Surgery	Establishment of correlation in the expression of Ki-67 proliferative index in the peritumoral tissue with tumour mass in ER (Estrogen Receptor) positive breast carcinoma	ICMR	50,000
2	JNMC	Dr. Bidisha De	Dr. Samarth Shukla	Pathology	Use of Pancytokeratin in detecting Micro metastasis in Axillary lymph nodes in Carcinoma Breast	ICMR	50,000
3	JNMC	Dr. Rai Prachi Dileep	Dr. Sunita Vagha	Pathology	Comparison of various scoring system by Immunohistochemistry for evaluating Hormone Receptors (ER/PR) in Carcinoma of Breast	ICMR	50,000
4	JNMC	Dr. Sonakshi Singhal	Dr. Neema Acharya	OBGY	Maternal early obstetric warning system (MEOWS) chart as a predictor of obstetric morbidity	ICMR	50,000
5	JNMC	Dr. Shreya Gattani	Dr. Sunil Kumar	Medicine	Assessment of nutritional status by modified nutric (mNutric) Score in medical intensive care	ICMR	50,000
6	JNMC	Dr. Anupam Anand	Dr. R. K. Shinde	Surgery	To compare outcome of Adjuvant of Neoadjuvant chemotherapy in stage III breast	ICMR	50,000
7	JNMC	Dr. Anuja Vivek Pande	Dr. Darshana Tote	Surgery	Efficacy of VAC therapy versus handcrafted vacuum assisted device in healing of chronic wound	ICMR	50,000
						Total	3,50,000

SPDC

1	SPDC	Dr. Gupta Chetan Shashikant	Dr. Nitin Bholra	Oral Surgery	Comparative evaluation of diagnostic accuracy in achieving intraoperative clear mucosal and soft tissue surgical margins by gross examination of surgical specimen frozen section analysis and histological analysis in oral squamous cell carcinoma	ICMR	500000
						Total	50,000

Extramural Grants for ICMR Students PG Students - 2017

Sr No	Institute Name	PG Student Name	Guide Name	Department	Thesis Title	Funding Agency	Amount
1	JNMC	Dr. Monisha Singh	Dr. Neema Acharya	OBGY	Comparative study of endometrial and sub endometrial angiogenesis in unexplained infertile and fertile patients	ICMR	50,000

2	JNMC	Dr. Mayank R Dhore	Dr. Asha R Jha	Pharmacology	Investigation and comparison of the antibacterial effect allium cepa and cinnamomum zeylanicum against some common bacteria causing urinary tract infection (UTI) : in vitro study	ICMR	50,000
3	JNMC	Dr. Smaran Cladius	Dr. Babaji Ghewade	Respiratory Medicine	Study of diabetes mellitus in association with tuberculosis	RNTCP	30,000
4	JNMC	Dr. Parijat Pansey	Dr. Babaji Ghewade	Respiratory Medicine	Study of initial drug resistance in newly detected cases of pulmonary tuberculosis by CBNAAT in a rural setup	RNTCP	30,000
						Total	1,60,000
